### Household Care Products - Europe

#### **SAFETY DATA SHEET (2001/58/EC)**

CSDS 5-5A – Issue 10 LDL01A - Issue 7 revised Issue Date: September 19, 2005 Valid until superseded

6. Accidental release measures	Avoid spillage into sewers or surface water. For large spills: pump into plastic containers and rework/dispose as per local legislation For small spills: use non-combustible absorbant and shovel into container for disposal.			
7. Handling and storage	Store in a cool and dry area.			
8. Exposure controls / Personal protection	Not a hazard in normal use. No personal protective equipment required.			
9. Physical and chemical properties	Appearance: green liquid Odour: Perfume pH (10 % aqueous solution): ca. 9.0 Not Flammable. Non-Explosive. Non-Oxidizing. Relative density: ca. 1.04 g/cc Water solubility: high			
10. <u>Stability and reactivity</u>	Stable under normal conditions.			
11. Toxicological information	Not acutely toxic, after ingestion it may cause vomiting. If large quantities are ingested, treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended.  Estimated acute oral toxicity: LD50 (rats) ≥ 2g/kg Eye irritation: Slightly irritating to eyes			
	Skin irritation: Chronic toxicity: Chronic toxicity: Contact sensitization: Slightly irritating to eyes Slightly irritating to skin Repeated exposure to low levels (e.g. residues left on dinnerware) will not cause adverse effects Contact sensitization: Does not provoke a sensitization reaction			
12. Ecological information	The product is intended for wide dispersive use and is compatible with the down-the-drain disposal route.  The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment.  The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation EC/648/2004 on detergents.			
13. <u>Disposal considerations</u>	Consumer products ending up down the drain after use. Observe safe handling precautions and local legislation.			
14. <u>Transport information</u>	Not subject to ADR/IATA/IMDG codes.			
15. Regulatory information	This product is not classified as dangerous according to EU Directive 1999/45/EC and national laws. All substances in the preparation are registered in the EU.			
16. Other information	This product does not require any special training before use. Usage and handling instructions are mentioned on package and on this Material Safety Data Sheet. Safety Data Sheet available on <a href="http://uk.pg.com/products/safetyDataSheets/houseAndHome.html">http://uk.pg.com/products/safetyDataSheets/houseAndHome.html</a>
